Veterans' Health Centre Foundation  
La Fondation du Centre de santé  
Perley et Rideau pour anciens combattants

# About Us

The Perley and Rideau Veterans' Health Centre is one of Ontario's largest, most innovative and progressive long-term care homes. Here, Veterans enjoy priority access to not only 450 long-term care beds, but also to 139 independent-living apartments and a remarkable range of therapies and services. Perley Rideau is also home to Canada's first Centre of Excellence in Frailty-Informed Care, which conducts and disseminates much-needed practical research into the care of seniors, the fastest-growing segment of Canada's population. Donations to the Foundation make it possible for Seniors and Veterans to lead healthy, fulfilling and dignified lives.

Tremendous donor support during 2020 enabled the Foundation to disburse over \$845,357 to the Health Centre. Along with the purchase of equipment essential to minimizing the impacts of COVID-19, donations supported specialized training for staff, therapeutic recreation and creative arts, and other aspects of top-quality care.

Innovation has spurred the evolution of the Perley Rideau throughout its existence, improving quality of care and delivering great value to the community.

Donations to the Foundation support this evolution and value.

*Donors like you make it all happen. Thank you!*

# Supporting Hope in a Pandemic

The generous support of donors enables Perley Rideau to maximize the quality of life experienced by our Veterans and other residents, and to minimize the impacts of the pandemic. Last year, our donor community grew more diverse and expressed its support in ever-more thoughtful and creative ways. This generosity reflects not only a belief in a better future but also a determination to make that future a reality. Support for initiatives such as the Centre of Excellence in Frailty-Informed Care will generate benefits for many years to come. Together, we continually improve the well-being of the people we serve.

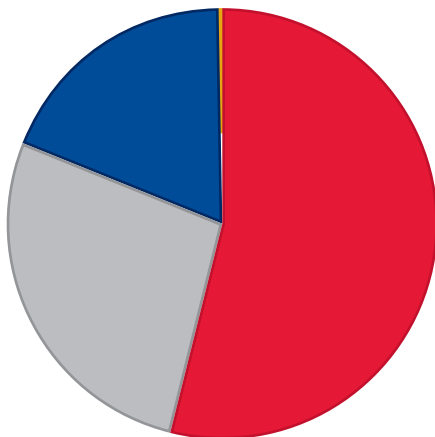

Thank you.

Delphine Haslé, CFRE  
Granddaughter, Donor, Executive Director
